

# CHLOR- L

Chlor L is a 3.5% Sodium Hypochlorite solution.  
Product is non-foaming and is predominantly used as a laundry bleach.  
Chlor L may be used for shelf life extension on fruit and vegetables.

## Dilutions

Normally use at 10 - 100ml / L (1:100 - 1:10) dilution with water depending on application.  
A 1% dilution should result in approximately 250 - 300ppm active chlorine solution.  
Use diluted product within 1 day. Do not mix with other chemicals.  
Contact with acids liberates toxic gas.
