

TBC

TBC is an inhibited, liquid, heavy duty toilet bowl cleaning agent to remove stains.
TBC works fast and effectively, removing stubborn stains that discolour toilet bowls.
Product pH at a 1 % dilution is between 1.00 - 2.00.

Dilutions

Use at 50 - 200 ml/L (1:20 - 1:5) dilution with water depending on application requirements.
Rinse well directly after treatment. Do not mix with any other chemicals.
Always use gloves, goggles and protective clothing.
May be applied via Spray application, following a rinse.
Always add the product to water and not the other way round, TBC may react to water when mixing.

Microbial

An acidic environment largely inhibits microbial activity.

GHS Identification:

UN 1760

PSN - Corrosive Liquid N.O.S

PPE

Gloves, Goggles, Personal Protective Clothing, Apron, Gumboots
